In the November 2020 issue of the Clutch Chatter, we began our review of previous Cars of the Month, we pick up with December 2018. This will be the final installment of the COM review. Again, we are in need of new articles for future issues. If you haven't seen your vehicle over the last three months in this feature, draft up approximately a 1000 word write up on your car and submit it along with lots of pictures. Your vehicle may be the next Car of the Month.

The President's Page by Peter Pandolfi

Unfortunately, since we were not able to elect a Regional President for 2020, this article will exist only as a place holder until this situation is rectified. With the up coming elections for 2021 officers, this feature will return. Our election results will be finalized on January 5, 2021. I am happy to report that we have a full slate of officers up for election and none of the positions are contested. We expect the January 5 vote count to confirm the following officer positions:

Peter Pandolfi—President

Luke Stakenborg—Vice President

Nicki Hudson—Treasurer

Jessica Pozdol—Secretary

Ron Davis—Director

Bill Sessler—Director

George Richardson—Director

Franklin Gage—ODMA Representative

Peter Daniels—ODMA Representative

There is still time to get your vote in. A copy of the ballot is included in this issue. Ballots were sent by both email and regular mail for those with no email address. Fill out your ballot and return it to Jessica Pozdol by January 5, contact information on this page.

The next major issue for the Region is the key committee roles. The major committees are the Newsletter Editor, Webmaster, Membership, and Rohr Car Meet chairperson. I am willing to stay on as Newsletter Editor in addition to being President. Harry Dinch is our current Webmaster and I will contact him to see if he will remain in that position. Dave Claveloux has expressed an interest in taking over Membership from me and Rohr Car Meet Chairman is open. If you have any interest in any of these positions, let me know. There is plenty to do for anyone who is willing to give it a little time. Thanks.

Pete

Your Hobby, Your Newsletter, Your Stories

I welcome any contribution members would like to submit. In this issue you will notice an article by a member on a car museum he visited. This is the kind of item I am looking for. Especially desired are articles on National meets and tours you might attend. Email is the best way to submit items, but if the files are large, burned to a CD/DVD or thumb drive is perfectly fine. I will even take them hardcopy if necessary. This method would be very labor intensive, but I will make it work. Submission deadline and contact information is below. Please use MS Word if at all possible. Thanks in advance for all your support.

Dr. Peter W. Pandolfi
11090 Mountain Run Lake Rd.
Culpeper, VA 22701
Phone: (703) 919-8343

Email: rr4pwp@gmail.com

The deadline for submissions for inclusion in the next issue is the 25th of the month.

Charles Degges January 5
Jessica Pozdol January 5
Thomas McQueen January 12
Jim Batchelder January 19
Richard Porter January 19
Tara Silvers January 20
Craig Flanagan January 29

Note: Your birthday or anniversary not listed? Please let me know the date(s) by email. Spouses as well. Years are not necessary since we are all 29 at heart. Thanks, Pete

Member News

2021 Election of Region Officers: Everyone should have received a ballot by either email or regular mail. A copy of the ballot is included in this edition of the newsletter. The deadline for returning your ballot is January 5, 2021. Winners will be announced at the Installation Dinner. Send your completed ballot to Jessica Pozdol as listed on the ballot.

Membership Renewal: It is time to renew both your National and Region memberships. All current memberships expire on Dec 31 except for National Life members. Renewal forms are published in this Clutch Chatter and posted on our website for both National and the Region. Send National renewals to National directly. Region renewals along with annual dues should be sent to Pete Pandolfi as noted on the form. Regional renewals will be accepted until March 1, 2021 when new membership rosters will be posted and sent to National. To date 38 of our 62 2020 members have renewed their memberships for 2021.

Installation Dinner and Holiday Party: It was decided that the annual dinner and party will be held on January 10, 2021 at the City Tavern in Manassas. Due to COVID-19 restrictions, we are limited to 25 members in their banquet hall. Members wishing to attend need to get their reservations into Nicki Hudson ASAP to secure a place in the room. Members beyond the 25 may still attend, but they will be seated in the main dining room and prohibited from entering the banquet hall. Remember members will pay the full price for their meals due to the cancellation of the Rohr Car Show in 2020. Some of the profits from the show are usually used to subsidize the cost of the meal. We will be awarding door prizes as usual, but there will be no annual awards this year. A flyer and registration form for the banquet is on Page 16 of this issue and on our website. The dinner selections are listed on the flyer. Again, get your reservations in early. You can either mail them to Nicki or bring them to the December meeting along with your payment.

Meeting Minutes

by Jessica Pozdol, Secretary

The December meeting of the Bull Run Region was held on December 13, 2020 at the Manassas VFW Hall. Past President Pete Pandolfi volunteered to conduct the meeting given our Vice President was out sick. Ten members were in attendance therefore no actions were taken. The following topics were discussed.

1. Pledge of Allegiance
2. Treasurer's report
3. Nicki Hudson reported that the Installation Banquet is scheduled for January 10 at the City Tavern in Manassas. The Governor's increased COVID-19 restrictions do not affect the event. The cost to members and guests is \$26 per person with a dinner choice of Prime Rib, Salmon, Chicken Teryaki. Nicki must receive your reservation and dinner choice by January 5. We are limited to 25 people at the event so get your reservations in quickly.
4. Elections: Since there was no quorum of members, we could not conduct the election of officers. Pete Pandolfi stated that he would run for the office of President and Luke Stakenborg volunteered to run for Vice President. The incumbents for all the other officer positions confirmed they would run for another term. Pete said he would put a ballot together and send them out by email and regular mail for those with no email connection. Completed ballots must be returned to Jessica Pozdol by January 5, 2021.
5. Rohr Show: Pete said he is part of a group of car enthusiasts in Culpeper that is interested in attending our 2021 car show. The group is Crusin4heroes and is comprised of mostly former military members who put on fund raising events to benefit the Fisher House charity. They have a variety of vehicles from restored classics to modified cars. Various ideas were put out on how they could participate, but Pete said the issue right now is whether we are interested in supporting them. How this would be done is a later discussion. The members present supported the idea and Pete said he would contact the head of Crusin4heroes and get us on their calendar.
6. Jon Battle presented nostalgic video clips of antique cars ranging from 1906 to the 1950's.
7. After the presentation, several members participated in the cookie exchange and the meeting was adjourned at 5:30 pm
8. Next Meeting – January 10, Installation Dinner,

at the City Tavern in Manassas.

February	Jon Battle	Luke Stakenborg
March	Pete Pandolfi	Dave Claveloux
April	Rick & Jessica	Pozdol
May		Ron Davis
June		
July	Gene & Jenn	Gilkey
August	Picnic	Meeting
September	Scott	Patton
October		
November		
December	Cookie	Exchange

Club Store: Contact Gene or Jennifer Gilkey at 703-830-5313 for prices and size availability.

Sunshine: Please remember to notify our Sunshine Committee Chair, Jessica Waldenville, of significant events in your life. Health issues, good and bad, the birth of a child or grandchild, or a milestone anniversary or birthday are all examples of life events that you can share with your friends in the club. It is a great way to demonstrate concern for our members.

Website: Please make sure you access the website on a regular basis. During this unusual time, it is the best way to inform members of changes. It is an excellent forum for information on activities as well as interesting articles. While viewing the website you may find some areas that can be improved. Pass these ideas on to Harry to make our site even better.

The Parking Lot

For Sale: 1953 Oldsmobile Super 88—2door coupe, P/B, 3 speed manual, frame-off restoration, Flawless black-over-yellow paint, immaculate interior, 68,000 original miles, Steve White's AACA Grand National Senior winner. Asking \$42,000. Contact Jeff White at (757)717-6610 or JW1962A@gmail.com

For Sale: 1941 Ford - I am a motivated seller. I'm asking \$6000 now, down from my initial \$10000, but I will take just about any offer. A scrapper offered me \$175 and he will get the car if no one else is interested. So if you know someone who wants to take on a relatively simple project at low cost give me a call. It is titled in Virginia and garaged in Chantilly, VA. I will give you a good deal. Contact Karl at 703-802-1527 home or 703-203-9763 mobile

In Memorial

I am very saddened to inform you that 20 year member Tom Loren passed away on December 18, 2020. Tom was hospitalized with Pulmonary Fibrosis and was wheelchair bound. Despite his declining health, he was an active member and attended our club functions along with his wife, Mary, who has also been very active in the club. His funeral Mass will be on Saturday, January 2, 2021 at 12:00pm (noon) in All Saints Catholic Church, 9300 Stonewall Road, Manassas, VA 20110 . Up to 350 people can attend in the Church so anyone who would feel comfortable joining the family is welcome. Unfortunately, due to COVID the visiting is limited to the family. Our sincere condolences goes out to Mary and the rest of Tom's family. Please keep Tom in your thoughts and prayers.

Tom & Mary Loren at 2019 Installation Dinner

Another sad passing is Herbert J. Singe of Hillside, NJ. Herb was a true automotive enthusiast and close friend of our own Edgar Rohr. Herb, a World War II veteran, was a 70+ year member of the Horseless Carriage Club of America (HCCA), Antique Automobile Club of America (AACA) and the Veteran (now Vintage) Motor Car Club of America (VMCCA) and 50+ year member of the Early Ford

V-8 Club of America,. Perhaps best known as a collector, restorer, mechanic and driver / tourer of antique cars ranging from the brass era, he drove and toured his antique cars throughout the entire east coast, as far west as Indiana and up into Canada, as well as through ten western European countries.

What's In a Name

By Peter Pandolfi

This is a new feature I am introducing for this year. I have always been fascinated with automotive logos and badges. This article will present a badge or logo and provide a brief explanation of the item. My primary source for this information is "Car Marques: A Graphic Guide to Automotive Logos and Emblems" by Simon Heptinstall and published by Quintet Publishing.

Alfa Romeo is an Italian car manufacturer with a deep

history in automobile racing. Founded in 1910 in Milan, Italy, Alfa is actually an acronym for Anonima Lombarda Fabbrica Automobili, which translates to the Lombardi Automobile Manufacture Corporation. Romeo is the last name of the founder Nicola Romeo.

The badge features a red cross on a white background which is the ancient symbol for Milan on the left side and a man-eating serpent which is from the coat of arms of Visconti family who ruled Milan in the Middle Ages. This badge continues to be used to this day on its cars and even on its Formula One racing cars.

January Meeting Presentation

By Jon Battle

There will be no presentation at the January meeting as the meeting is our annual Installation Dinner. Presentations will resume in February. We are always looking for individuals to give a 30 to 45 minute talk on a topic related to the old car hobby. Presenters need not be members of the Region. If you are someone or know someone who has some special insight to any automotive aspect, please let me know so I can schedule an agreeable time.

The National Beat

By Peter W. Pandolfi

The following article entitled "New Building Update" was written by Tom Cox, AACA Vice President for Public Relations. It was originally published in the Fall 2020 Rummage Box. I hope you all enjoy it.

As I am writing this, the AACA National Headquarters and the AACA Library staff are in the middle of a very complicated move to our new building. The entire library collection must be moved to the second floor of our new building and put in the proper places. On top of that, the amazing and newly acquired Philadelphia Library collection, all of your National Awards trophies, and contents of eight storage units and trailers containing everything that keeps your National Headquarters rolling need to find their place in the new building!

These are exciting and busy times for us as everything must be out of the old Headquarters and Library by the end of the month. The good news is our new building is ready for us! We will still have some things to finish in November, including completing our move, so we will not open our doors to the public until everything is in order. We want you to be able to see the finished product.

You will be very pleased and proud of what has been accomplished. The remodel/repurposing of your building has been done by our team in an exceptional manner consistent with being good stewards of the funds required. This is a total game changer, not only for AACA, but for the antique vehicle hobby.

Progress of any nature requires commitment, and our

January Trivia Question Answer:

Gulf opened up the first station in Pittsburgh in 1913.

team at the Library and Headquarters is committed as never before. We've been very fortunate to be the recipients of so many wonderful donations of everything from vehicles to stocks from committed members, and are close to having this project fully paid for. So, you can well imagine how pleased we were to have a member pledge \$1,000,000 to help make this project debt free! However, the donor has asked that the donation be matched. We know some are tired of our asking and feel we have pushed too hard. We apologize if anyone feels that way. This is a team campaign, and we need to keep pushing into this final stretch.

We are very pleased with how many members, regions, and chapters have been generous in their support. That support has been continuous for the past two years and is still coming in with dues payments. We are close folks, so we implore you one more time to look personally at your yearly philanthropic donations, think about donating your IRA mandatory payments that come to us tax free, vehicles, stock, or other negotiable instrument. Everything adds up to making a huge difference for the future of the hobby. Please be a part of this final drive down the back stretch.

Now is the time to pay it forward! Please send your checks or call with a credit card to your national headquarters. Send to AACA P.O. Box 417 Hershey, PA 17033 or call 717-534-1910. Thank you all!

2020/21 Bull Run Events Calendar

Bull Run Region Calendar:

Jan 10—Installation Dinner, City Tavern, Manassas
Feb 21—Regular meeting (delayed for Valentines Day/National Convention), Manassas VFW Hall

Oct 6-9—Eastern Fall Nationals, Hershey, PA

Nov 4-6—Special Western Nationals, Phoenix, AZ

Nov 7-10—Western Divisional Tour, Phoenix, AZ

December Meeting Presentation

By Jon Battle

“Selected Short Subjects”, a collection of short auto-related films, took the place of a scheduled speaker at the December Bull Run meeting.

Twelve movies were shown. The oldest was an interrupted “take”, shot from the front of a cable car proceeding down San Francisco’s Market Street in 1906 -- just days before an earthquake and fire re-

duced the city to ruins. Horses, horseless carriages, pedestrians and cable cars contended with one another for room on the avenue. The newest movie, from 2011, was a brief vignette of Margaret Dunning, a 101-year-old resident of Plymouth, Michigan, and the 1930 Packard Straight Eight roadster which she drove regularly.

As in any traditional movie palace, the presentation contained a feature, newsreels and an animated cartoon as well.

The feature film (a full eight minutes long!) was “The Other Fellow”, a 1937 Chevrolet promotional film starring character actor Edgar Kennedy. It demonstrated, in a humorous way, that road rage dates back to long before the 2000’s.

Of the newsreels, two from 1928 chronicled the then-new phenomenon of antique car collecting. In one, a hapless enthusiast is unable to drive his vintage curved-dash Olds more than a few feet before it dies.

December Presentation continued

In the other, members of an old-car group stage a race with their ancient relics, to the great amusement of crowds lining a street in Long Island. From 1932 came a newsreel clip of a remarkable new invention in which cars could be parked on gondolas strung together on a vertical, multi-story belt. (Though it's now a common thing, this was terribly cutting-edge at the time.) Another newsreel segment featured the "Dynasphere", a gigantic rolling tire in which passengers rode on a suspended cradle.

A 1948 short feature presented three futuristic streamlined car prototypes, none of which ever reached production: the Davis 3-wheeler, the TASCO by Cord designer Gordon Buehrig, and an unnamed car with a teardrop design.

The cartoon was "Susie The Little Blue Coupe", a Disney production from 1952, which follows the life of a car from its debut in a showroom window to its retirement to a junkyard, and its subsequent rebirth.

Also included were two 'traffic studies' -- one from 1928 and the other taken about ten years later: unedited, "raw" film clips from Oregon and California that recorded in real-time the automotive bedlam that often occurs at street intersections.

A quiet musical interlude, filmed in the 1940's, combined a front-seat view of a driving excursion up New York's East River Drive with Tommy Dorsey's version of "Manhattan Serenade", presumably playing on the car's radio.

The show included a short intermission during which freshly-made popcorn was supplied to the audience.

The entire sequence of movies was projected directly off the Internet (using pre-selected links). Those clickable links are available to any Bull Run member curious to see the films, by e-mailing Jon Battle at detailed@verizon.net.
