On September 17, 2022, the Bull Run Region conducted its 46th annual Edgar Rohr Memorial Car Meet. Named in honor of Edgar Rohr, founding member of the Bull Run Region and past National President of AACA, the show celebrates Edgar and his wife Walsa's love of the collector car hobby, a tradition upheld by their son, Bull Run member Chip Rohr and his wife Nancy. We are honored to have Chip and Nancy in attendance each year to present the Edgar and Walsa Rohr Memorial Award at the show.

Crusin-For-Heroes fund raising tent at the show field entrance

This year under the leadership of Eugene Gilkey and Randy Higgins, the show once again was a phenomenal success. With 160 vehicles attending, there was something for everyone. Fifty awards were presented with the Top 35 being selected by participant vote. Ten Best of Show category awards were determined by the Region's Chief Judge, Franklin Gage, and a small committee of select collector car experts.

Greeting everyone as we enter the final quarter of the calendar year 2022. What a great year we have had so far, but there is still more excitement to come. This month at our meeting, we will review the results of our annual car show (more on that in a minute) and begin planning for next year's show. Also this month we will be soliciting nominees for the 2023 Region Officer positions. Mary Loren is heading this effort, so when she contacts you, please be nice. Even better, volunteer to run for office. Helping to run our club enhances your overall collector car experience. None of the positions require that much time and you can tailor it to meet your schedules. The more people we have helping, the easier and more fun it is for everyone.

Speaking of helping, I am so impressed by effort everyone put into conducting the 46th annual Edgar and Walsa Rohr Memorial Car Meet this year. The show was a tremendous success with 158 cars on the field and more pre-war car than we have seen in a while. Approximately one third of the vehicles were modified, consistent with past years. The Club Store did well and the silent auction brought in additional cash. The Crusin-For-Heroes group raised over \$1,400 for the Fisher House Foundation bettering last year's donations. The Rotary Club sold raffle tickets for a 1965 Mustang convertible and the Ford Model T club once again provided two demonstrations disassembling and reassembling a Model T truck.

First time show Chairmen Gene Gilkey and Randy Higgins did an outstanding job of organizing everyone's efforts and adjusting to a new field layout. Even with the amount of work they did, they had a lot of help from our Region members. A full 60% of our members helped in some way to make this event the success it was. There is always a danger when citing a list that someone may be missed. My apologies in advance if this happens to anyone. So here we go. I personally thank: Jim Batchelder, Sally Batchelder, Jon Battle, Dave Claveloux, Pete Daniels, Ron Davis, Charlie Degges, Steve Dietz, Craig Flanagan, Franklin Gage, Dave Gantt, Gene Gilkey, Jennifer Gilkey, Zack Gilkey, Randy Higgins, Nicki Hudson, Mike Janniro, Mary Loren, Rob Morrow, Ernie Newland, Scott Patton, Richard Porter, Rick Pozdol, Jessica Pozdol, John Price, George Richardson, Chip Rohr, Nancy Rohr, Bill Sessler, Luke Stakenborg, and Karl Wilhelm. I appreciate all that you did for the Region in making this show such a success. I hope you all had some fun doing it. And now on to next year.

Thanks to all. Pete

October Automotive Trivia Question

Where was the first drive-in movie theater opened, and when?

See answer on Page 10

Rohr Car Show continued

The show is supported by Scout/Venture Troop 670 comprised of both boy and girl scouts. They serve as marshals for the parking of show vehicles, conduct the flag presentation at the opening ceremonies and select a vehicle for the Youth Choice award. The show also presents the Mayor's Choice Award, which is selected by a Manassas City representative,

Line of stock cars in Manassas train station parking lot

usually the Mayor. This year due to the Mayor's busy schedule, we were honored to have the Manassas City Vice Mayor Pamela Sebeskey review the field of vehicles and make the selection for the award. She, as the mayor did last year, found that the selection criteria sounded very easy to follow, pick the vehicle you like, to actually be extremely difficult. When you have so many outstanding examples of automotive history to choose from, it is hard to select just one.

Stock pony cars on display

For the second year in a row, Bull Run Region teamed up with the Crusin-For-Heroes (CFH) group from Culpeper, VA to raise money for the Fisher House Foundation. This is a national, military charity that provides housing and support for injured military members and their families.

If you are familiar with the Ronald McDonald House program, Fisher House is basically the same thing but for military members injured in the line of duty. CFH is an informal group of predominately military veterans who are also collector car enthusiasts. They conduct various fund raising activities throughout the year using their automobiles to support car shows, parades and other community events. One hundred percent of all proceeds collected by CFH are given to Fisher House. Last year, the Rohr show raised over \$1,300 for CFH, and this year's show did even better. We look forward to continuing this wonderful collaboration for such an important cause.

Scout Troop 670 presenting the colors

An event of this magnitude could not happen without the help of many different people and organizations. Needless to say the Region is lucky to have so many active members who helped with the variety actions needed to put this show together. In addition to our

Editor's Notes by Peter W. Pandolfi:

Your Hobby, Your Newsletter, Your Stories

I welcome any contribution members would like to submit. In this issue you will notice an article by a member on a car museum he visited. This is the kind of item I am looking for. Especially desired are articles on National meets and tours you might attend. Email is the best way to submit items, but if the files are large, burned to a CD/DVD or thumb drive is perfectly fine. I will even take them hardcopy if necessary. This method would be very labor intensive, but I will make it work. Submission deadline and contact information is below. Please use MS Word if at all possible. Thanks in advance for all your support.

Dr. Peter W. Pandolfi
11090 Mountain Run Lake Rd.
Culpeper, VA 22701
Phone: (703) 919-8343

Email: rr4pwp@gmail.com

The deadline for submissions for inclusion in the next issue is the 25th of the month.

October Anniversaries

- Jim & Edna Cross October 2
- Scott & Tara Silvers October 31

October Birthdays

- Mary Claveloux October 2
- Susan Parker October 8
- David Root October 10
- Edna Cross October 13
- John Zampino October 26

Note: Your birthday or anniversary not listed? Please let me know the date(s) by email. Spouses as well. Years are not necessary since we are all 29 at heart. Thanks, Pete

Member News

New Member: Welcome to our newest member, Kirk Hallett of Round Hill, VA. Kirk joined our group at the Edgar Rohr Memorial Car Meet this year and we look forward to seeing him at our future meetings and events.

Rohr Car Show: Our 46th annual Edgar Rohr Memorial Car Meet is scheduled for September 17, 2022. A lot of progress has been made with awards ordered, the Scout troop on board, Crusin-For-Heroes charity event in place, and advertising distributed. All BRR members are encouraged to take a group of paper flyers to distribute and car events they attend. We have started soliciting for trophy sponsors, door prizes and silent auction items. If you are interested in sponsoring an award, contact Jon Battle. If you have items to donate to the silent auction, let Nicki Hudson know, but you can just bring the items to the show.

Manassas Christmas Parade: Bull Run Region will once again participate in the Greater Manassas Christmas Parade on December 3, 2022. As in the past, we will need to provide 4-5 large to mid-sized convertible cars for parade officials. For this service the Region is not charged to participate in the show. We are also allowed an additional 10 vehicles as the club entry. Please mark your calendars and sign up to support this fun, all weather event. More details will be provided later. Contact Ernie Newland if interested.

Refreshments: Per our by-laws coordinating this is the duty of our Vice President, so Luke Stakenborg will be handling this for next year. We will start the volunteer list for 2023 at the October meeting.

2022 Refreshment List		
Month	Snacks	Drinks
October	Pozdol	Pozdol
November	Gantt	Price
December	Cookie	Exchange

2023 Elections: Mary Loren will be contacting all our membership to put together a ballot of officers for the Region. The election of 2023 Region Officers is conducted at our December meeting. All Region Officer positions are open for nominations. If you are interested in any position, please let Mary know so the ballot can be published in next month's Clutch Chatter. Taking on a role in the club is the best way to enhance your membership experience. All members are eligible for any of the positions.

Clutch Chatter Articles: I am always looking for interesting articles to publish. Take a stab at writing and article and provide some pictures. Page 4 Editor's Notes contains more information and deadlines regarding Clutch Chatter submissions.

Meeting Minutes

by Jessica Pozdol, Secretary

The monthly meeting of the Bull Run Region was held on September 11, 2022 at the Manassas VFW Hall with 14 members in attendance.

1. Pledge of Allegiance
2. Treasurer's Report read and approved.
3. President's Report: Reviewed draft 2023 Calendar of Events and requested additions and corrections. Announced open nominations for 2023 Region Officers. Mary Loren volunteered to serve as nomination coordinator. She will be contact members to determine interest in the positions.
4. ODMA Report: Fall Tour scheduled for Oct 27-30 in the Yorktown, VA area. Sign up deadline is Oct 3
5. Website: progress being made on re-establishing the site. Jon Battle was able to upload the Rohr Show flyer onto the site.
6. Rohr Show Update: Show is this coming Saturday and everything is in place. Still will need some volunteers on the day of the show to help with registration and parking. Sponsor list being finalized, announcements have been updated and awards program is done pending final sponsor list. Manassas Vice Mayor Pamela Sebeskey will be representing the City.

There being no other business, the meeting was adjourned.

The National Beat

By Peter W. Pandolfi

The following article entitled "[AACA Youth Scholarships Application Deadline December 1, 2022](#)" was written by Debbie Nolen, AACA Vice President—Youth Development and Awards. It was originally published in the Summer 2022 Rummage Box. I hope you all enjoy it.

As one of the ways we can strengthen the continuation of our old car hobby from one generation to the next, AACA awards scholarships by recognizing students who demonstrate an active interest and participation in the antique car hobby. Whether their interests have been shown through restoration, preservation, and/or ownership of antique cars, AACA supports its commitment to qualified candidates with several types of \$1,500 awards, with privately funded scholarships also awarded periodically. All Scholarship awards are presented along with AACA's national awards as part of the AACA Annual Meeting each year.

Requirements and Application Forms: Be sure to get a complete copy of the requirements and application form from AACA headquarters (or online at AACA.org/scholarships.html). Applications must be received by December 1st and should be clearly marked with the name of the desired scholarship. Send to the AACA Executive Director at AACA headquarters. Faxed applications will not be accepted. AACA Headquarters, 800 West Hersheypark Drive, Hershey PA 17033 • 717-534- 1910 • AACA.org

The **AACA Young People's Award** recognizes an individual who has made a significant contribution to the successful operation of an AACA region or chapter, and/or has demonstrated a sustained active interest in owning, restoring or preserving antique vehicles or automobilia. The candidate, parent or grandparent must be an AACA member in good standing for a minimum of five years, and the candidate must be nominated by a region or chapter. The minutes of the meeting where the nomination occurred must be included with the application, along with a copy of the letter of acceptance to the institution they are or will be attending. In addition, a resumé, essay and transcripts are required with the application.

The **AACA Scholarship Award**, is granted to encourage individuals to further their education and stimulate interest in AACA and the history of vehicles in general. It has the same requirements as the Young People's Award Scholarship, except a region or chapter nomination is no longer required.

The **John and Janet Ricketts Scholarship Award** is in recognition of AACA's first female national president, Janet Ricketts, who served in 1999 and is granted by the family of John and Janet Ricketts in appreciation of their love for AACA and their belief in service to the club. The award is available to any AACA member, child or grandchild of an AACA member who has been in good standing for at least five years; has demonstrated active interest in AACA through participation in its programs or shown active interest in the hobby of antique vehicles through restoration, preservation, or ownership of such vehicles; has submitted a required essay that demonstrates the candidate's history of leadership in scholastic or extracurricular activities; and who has been accepted to an institution of higher learning or is now enrolled in the institution. Region or chapter membership is encouraged but not required.

Formerly known as the Student Scholarship Award, the **Susquehannock Region Automotive Technology Scholarship** is granted to a student enrolled in an

Continued on Page 6

National Beat Continued

automotive technology and/or restoration program at an accredited institution. The applicant must be nominated by a letter of recommendation from a faculty member at the institution they are attending. The student must also be an AACA member (either regular or student) and must provide transcripts and a resumé.

The **Louise Bianchi Choitti Memorial Scholarship** is based upon the same rules as the AACA Automotive Technology Award and is awarded as funds are available. It was instituted and funded by Dave and Marilyn Chiotti as a way to honor Louise and a way to continue to support youth in the hobby.

Rohr Car Show continued

first time show Chairmen Gene and Randy and our Chief Judge Franklin, some of our key volunteer include Jim and Sally Batchelder handling registration, Dave Claveloux recruiting new members, Nicki Hudson Treasurer and head of the silent auction and door prizes, Jon Battle handling publicity and recruiting sponsors, Jennifer Gilkey running the club store, our Vice President Luke Stakenborg serving as emcee, Rob Morrow and Jessica Pozdol doing the vote tallying and so many others.

Jennifer Gilkey selling Region products

The Region also thanks the City of Manassas, the Manassas City Police Department, Historic Manassas, Inc., the Manassas Museum, Boy Scout/Venture Troop 670, CFH and all our sponsors, see full list in this issue, for all their support. With all that said, the focus is now turning to next year's show to be held on September 16, 2023. So mark your calendars and enjoy more pictures from this year's show.

What's In a Name

By Peter W. Pandolfi

I have always been fascinated with automotive logos and badges. This article will present a badge or logo and provide a brief explanation of the item. The source for the following information was derived from information posted on the open sources.

One of the classic marques of the golden era of British motor manufacturing, MG started as a prewar sideline for a showroom called Morris Garages in Oxford. The garage began selling its own versions of some of the Morris vehicles produced by William Morris in 1924. These were adapted to be a little sportier than the standard cars. To emphasize the differences between the garages' own cars and the Morris originals, they were branded as MGs.

Badge design since 1924

Business grew and the simple octagonal badge containing the letters "MG" was registered as an official trademark by Morris Garages in 1924. The octagonal design was inspired by the shape of the founder's kitchen table. The specialist sports car producer succeeded at first, producing acclaimed cars like the Magnette and MGA. However, MG was gradually swallowed up by larger conglomerates. Having already merged with Austin in 1952, MG became a part of British Leyland Motor Corporation in 1968, which

had already acquired Triumph in 1960. The MG marque became simply used as rebadged versions of the other marques with the exception of the MG sports cars.

As part of the MG Rover Group, which formed in 2000, the MGF, an all new roadster, was launched. However, only five years later, the company went into receivership and was purchased by NAC, China's oldest car maker. The new owners have tried to revitalize the old brand, introducing a completely new range of cars, but retaining the traditional octagonal badge and initials.
