May 2024

On April 13 C'ville Classic Cars held an open house and a cruise-in at their facility. Many of the cars in the cruise-in were older collector cars and some Bikes. On this page are many of the cars in the shop for repairs. Many had what could be expensive repairs. All had lists on their windshields indicating what was to be done. Later in this newsletter are pictures of some of the cruise-in cars.
