

## PRESIDENT'S MESSAGE:

I hope everyone is surviving the heat and drought we're (not) enjoying this summer. Vickie and I have been waiting for the tomatoes to ripen so we can enjoy our tomato sandwiches and our scrambled egg and tomato sandwiches. By now we would normally be on our second loaf of white bread, a treat for us!

We've had some great participation at the last couple of shows, the Eddie Busko Memorial Cruise-In June 29 and the MSV show July 20. THANK YOU everyone who helped with these events and brought their vehicles to share with everyone. A great big THANK YOU to MSV show Chairman Dan Rowzie for a job well done!

We have a very busy Aug. coming up. [See page 2 for details and sign-up deadlines] On Sunday August 4th Paul Ruscito has put together a Fun Run to the Dale Adams Collection in New Market. Sunday August 11th is our turn to host the annual Corn Roast, which will be at the Antique Car Shelter at Jim Barnett Park. We share this event with Queen

## WANTED: YOUR VEHICLE'S PHOTO FOR THE 2025 CLUB CALENDAR

Tom Parker's now accepting photo submissions for the 2025 Club Calendar. These can be your rolling ride, or a good photo of your project in progress. How about both a "before" and "after" photo?

The calendar will be in an 8.5" x 11" (closed) wall-calendar format, one vehicle per month. Side or 3/4 views, taken outside in daylight, show off vehicles best. Please email your vehicle's photo to Tom at

[tomrparkerjr@gmail.com](mailto:tomrparkerjr@gmail.com).

The best results are from hi-res photos; keep in mind that they'll be sized at approx. 8" x 10" in landscape mode. Most

cellphone cameras take fairly hi-res photos if you don't have digital pics on file. If you have photos on your cellphone and don't know how to download them to email, you can text the photos to Tom at (703) 727-3665.

If you don't have a way to get Tom a digital photo, or don't have a photo, please contact him to make other arrangements. Tom will also need a little info about your vehicle for the caption; like how long you've had it, what restoration was needed, any special facts, or how many miles you've driven it, etc.

**Deadline for submission is Sept. 30.** This deadline allows for calendars to be created and received in time for delivery at the Nov. membership meeting. Thanks!

# MUSEUM OF THE SHENANDOAH VALLEY SHENANDOAH REGION AACA MSV ANTIQUE & MODIFIED CAR SHOW JULY 20, 2024

by Dan Rowzie, Show Chairman

This year's MSV car show, coordinated by Shenandoah Region, had 108 vehicles on the showfield at the 10:30 am cutoff for registrations. The morning was cool and the forecast for rain was supposed to be late afternoon. But as of-

ten happens at this annual show, about noon the forecast changed, and rain was now due to come much earlier than expected. The Team hustled, and our picks for the Museum awards were completed early, and ballots for People's Choice and Top Ten votes counted early. Awards were presented about one o'clock, just as some sprinkles began and some cars began to exit the field.

The showfield was full of a wide variety of vehicles representing many years, makes, and models. As Jim Colville put it, "There was something for every classic car fan." There was even a drag boat. Several people have commented on the high quality of this year's entries.

Since this is an open-house type event for the Museum, we had a larger family-oriented crowd moving through the showfield than you might see at a usual car show. It was fun and exciting for the kids to be able to vote for their favorite vehicle - the People's Choice. And it was delightful to see our members and participants "sharing" their vehicles with the visitors. Our President Jeff Smulovitz' car, a

**FROM DAVID SUNTER:**

Anyone who has a motorcycle or a European sports car can relate to this photo...

**FROM JIM COLVILLE:  
EDDIE BUSKO CRUISE-IN**

Saturday 6/29 was the 2nd annual Eddie Busko Memorial Car Show at Welltown United Methodist Church in Clear Brook. The show is put on in memory of Bill Busko's son Eddie, and donations collected benefit the church's food bank. Like last year, the show filled up the yard and parking lot in front of the church with a variety of stock and modified cars and trucks. Vehicles entered in the show ranged from Bill Busko's Model A, to a Ferrari and a Wheel House lawn tractor. Bill's wasn't even the only Model A in attendance.

I overheard the red '69 Chevelle SS being praised as the most beautiful car in the show.

Next, a '56 DeSoto Fireflite, a '72 Olds Cutlass convertible, and a Porsche 811. The VW bus was stunning, but Chevys were represented by many

more examples, including a few Chevy street rods .

A '67 Fairlane and a Ford truck, Art Bragg's Buick, and my own '68 Barracuda.

**FROM PAUL RUSCITO:  
YELLOW SPRINGS SHOW JULY 4**

A few pictures from the Yellow Springs Car Show July 4th. The Studebaker truck was an uncommon sight, beautifully restored with a 289 V8. Something you may remember from the TV show "That 70s Show" was a Vista Cruiser station wagon. Kenny Harper had his red Ford Cyclone out enjoying the day with friends. The red Corvette was an unrestored vehicle in it's original paint. The afternoon was hot and muggy but there was plenty of shade under the pavilion with a little group playing Blue Grass music. With plenty of food & drink it was a great day celebrating our Flag and Independence Day.

**FROM TOM PARKER:  
VA MUSEUM OF TRANSPORTATION**

My son's soccer team travelled to Salem, VA for the VHSL State Tournament in early June. They unfortunately lost in the semi-final game, but while we were in town we went to Roanoke to the check out the Virginia Transportation Museum. The museum is fairly large and located in an old train depot. They have cars, trains (full size and model), planes, and buses all covered. When you walk into the wing with the cars, they are lined up on both sides with about 30 cars total. There were a handful of Studebakers, including a late 1800s wagon.

There was a 1913 Detroit Electric which cost a whopping \$3000 at that time. For the Mopar fans, there was a

1970 Superbird, 1970 Charger and 1955 Chrysler 300. Of the early cars on display were the 1923 Piedmont, which was the only car company ever chartered in the Commonwealth of Virginia, and a 1923 REO. The train yard had several locomotives and cars that could be walked through.

I hope everyone enjoys the rest of the summer, and I hope to see a lot of you at our upcoming events. Please remember when you visit our sponsors and supporters of this newsletter to thank them for advertising with us.

GREAT RACE - PURCELLVILLE**

So Tom Parker sent me a text, "Want to go to Purcellville on Tuesday (June 25th) for 'The Great Race' stop? It's at noon." Of course, I went. It was a chance to see a variety of classic cars from the '20s to the '70s from across the country. The race route is different every year, so this might be the only time the race would pass through our area. This year's event covered 2200 miles. It started in western Kentucky and finishes in Maine.

The day's route through our area started in Frostburg, MD, stopped in Purcellville for lunch, then continued on to Gettysburg, PA for the next over-night stay. There were 140 cars entered, and we managed to catch about two thirds of the cars as they arrived. Entry for each car was \$7000 to \$9000 and the teams competed for \$120,000 in prize money.

Next, an MGB-GT, a '72 Datsun 240-Z, and a mid '60s Jeep Wagoneer.

A Model A sedan delivery, a step-down Hudson, a '62 Dodge Dart 440 station wagon, and an Alfa Romeo.

A '69 Boss Mustang, a Ford roadster with a 'boat tail', a purple Dodge Challenger, a Buick Roadmaster, a '61 Cadillac, and a vintage Indian motorcycle.

A Fiat Jolly. Can you imagine 2200 miles on wicker seats?

Photo by Tom Parker

Many of the spectators brought cool classic cars of their own. . A Porsche club brought a number of vintage cars, mostly 356 models.

**FROM JIM COLVILLE:**

**SULLY CAR SHOW JUNE 16**

June 16th was Father's Day, and Father's Day means the big annual car show at Sully Plantation in Chantilly. This year, the weather was perfect. While the show was still big, the decision to disallow day-of-show registrations certainly resulted in a lighter number of entrants this year. Even so, I believe there were still more than 350 cars on the show field. Although the car show at Sully Plantation is put on by the Washington Chapter of the Model A Ford Club, there are always a wide variety of antique and classic cars and trucks on display. The first car to be seen walking in the spectator entrance was a Ferrari 308 looking like it was waiting for Thomas Magnum (from the "Magnum P.I." TV show) to jump in and drive away.

The blue Pontiac convertible is a '55 as is the '55 DeSoto wagon.

It was a beautiful day for convertibles, including this '54 Ford Skyliner with the glass roof section. Next, Rich De-genaro's '72 Plymouth Scamp in Basin

Street Blue (often referred to as "Petty Blue" in reference to the color of Nascar Driver, Richard Petty's cars), and a '69 Hurst Olds.

Of all the Thunderbirds, the one that stood out the most was the 1962 "M" code Sports Roadster with the 390 V8 with the three 2bbl carb setup from the factory. Of course, since the show is put on by the Model A club, there was an abundance of Model A's.

As always, there was a respectable turnout of Chevrolets, and probably half of those were Corvettes. Here's a a red Corvette Stingray convertible, and a '72 Chevelle SS.

. There were a few Jaguars in the show including this red Type 1 XK-E. . Phil Ray brought his 1963 Datsun 320 pickup. This particular model with the pickup bed integrally attached to the cab, like an El Camino, is especially rare. Last, a Citroen 2CV.
